SCHOOL OF ENGINEERING, BANGALORE.

Notification No. D. 141, dated 6th June 1923.

(PROSPECTUS).

1. The School of Engineering, Bangalore, gives instruction in Mechanical, Electrical and Civil Engineering. The instruction in Mechanical and Electrical Engineering are being divided into two grades—Higher and Lower.

2. Candidates for admission to the Civil Engineering Section and to the Higher grades of the Mechanical and Electrical Engineering Section, must have completed the S. S. L. C. or an equivalent course with Mathematics and Science as their optionals. Candidates for the Lower grades must have at least completed the Fourth Form Course.

3. The complete course for the Civil Engineering students covers a period of three years of which the first two years will be spent in the school and the third year on works in any of the Executive Divisions of the Public Works Department. The complete course for the Mechanical and Electrical Engineering students extends over a period of three and a half years of which the first two and a half years will be spent in the school and the last year in any of the recognised works.

4. The session commences this year on Monday the 2nd July and consists of two terms, the first ending with Christmas and the second with the close of the following June. The hours of attendance are from 7 to 11 A.M. and 2-30 to 4-30 P.M.

5. The number of students that are admitted to the school is limited to 30 for the Civil Engineering Class and 75 for the Electrical and Mechanical Engineering Classes Preference will be given to Mysoreans.

6. Applications for admission to the school, which shall be in the candidate's own handwriting, must be submitted in a prescribed form to the Superintendent, accompanied with a registration fee of Re. 1 which will on no account be refunded and with copies of certificates and testimonials mentioned below. Applications will be received by the Superintendent up to the 20th of June and the selected candidates will be informed about the 25th of June.

7. Applications for admission must be accompanied by the five certificates:—

(1) Certificate of age from the parent or guardian that the applicant is between the years of 15 and 18.

(2) Certificate of character from the Headmaster of the school in which he was studying last.

(3) Certificate of educational qualifications.

(4) Certificate from a person of known respectability that the candidate is a native of Mysore by birth or domicile.

(5) Certificate from a Medical Officer not below the rank of an Assistant Surgeon about the candidate's physical fitness.

8. The selected candidates must join the school on the 2nd July and seats will not be kept reserved after the 5th.

9. No fees are levied for the Electrical and Mechanical Engineering Classes from students who are Mysoreans by birth or domicile. Others have to pay a sum of Rs. 56 in two instalments of Rs. 28 per term in July and January. Civil Engineering students have to pay a sum of Rs. 30 in two instalments of Rs. 15 per term in July and January.

10. A security deposit of Rs. 10 in the case of Mysoreans and of Rs. 15 in the case of others is collected from each student at the time of admission. The deposit amount will be returned, when a student leaves the school, after deducting all dues on account of loss, breakages, etc.

11. A fee of Rs. 5 is payable by each student in July, as his subscription to the Athletic Club, Reading Room, etc.

12. Scholarships and freeships are awarded to the 1st year students on the results of an examination to be held in September and in the case of others on the results of their annual examination.

13. Casual students who desire to work in the School Workshops are also admitted. Such students have to pay a fee of Rs. 3 per month.

14. A class is also tentatively open to train men in the mere driving of motor vehicles. A fee of Rs. 10 is charged for the course with the proviso to extend the period in special cases, on payment of an additional fee of Rs. 5 per mensem subject, however, to a total period of one year.
